

CRC INSURISK

e3= eXCLUSIVE, eXPANDED, eXCESS

A unique excess casualty sidecar product, the first of its kind in the marketplace — exclusive to CRC Group

FEATURES:

- Offers up to \$12.5M of quota share capacity on any one risk, no more than 50% of a layer.
- Following form matching of terms and conditions of the quota share partner, a/k/a “Controlling Market.”
- Superior group of Controlling Markets, both wholesale placed and retail direct placed.
- Written on paper rated A X by A.M. Best.

CASE EXAMPLE:

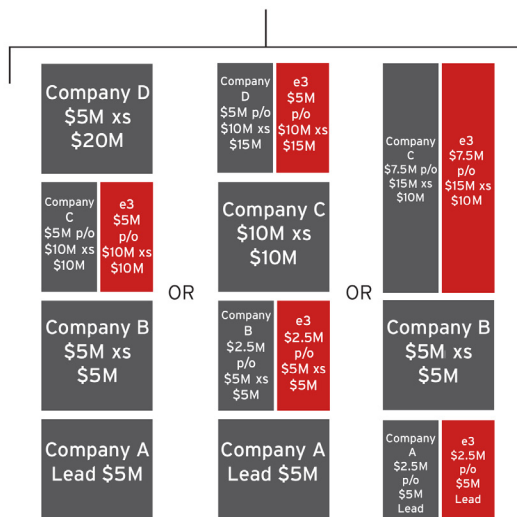

At renewal, company C decides it only wants to offer \$5M. If they are an approved e3 Controlling Market and will offer a quota share of \$5M p/o \$10M xs \$10M, then e3 can be inserted alongside company C, and the layer stays intact.*

*e3 will match the terms, conditions, and pricing of company
